6 In Re: **Akop Jack Mesropyan**

Case No.: **1:14-bk-13505-VK**

**Motion to vacate dismissal and Extension  
of time to provide missing documents.**

10 **STATEMENT OF FACTS**

12 On July 24, 2014 my office filed a bankruptcy petition on behalf of my client, Mr. Akop  
13 Jack Mesropyan. The Trustee assigned to the case was David Seror and the Judge assigned was  
14 Victoria S. Kaufman. At the time of the filing, I received in a notice of deficiency due on August  
15 8, 2014 [Exhibit A]. I gathered all the necessary documents and mailed them to the court located  
16 at 21041 Burbank Blvd., Woodland Hills, CA 91367-6603 on July 25, 2014. The documents were  
17 mailed as a result of a server issue which did not allow us to E-File. On August 1, 2014, I  
18 received a notice dated July 28, 2014, that an order and notice of dismissal was granted. After  
19 contacting the court, on August 1, 2014, I was advised that an Electronic Filing Declaration and a  
20 Statement of Social-Security Number OR were missing from the filing and was the reason for the  
21 dismissal. My office never received any sort of notice for the missing documentation. Had we  
22 been given any notice for the missing documents, we would have complied immediately and  
23 within the allowed time.

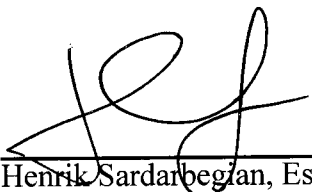

26 **MOTION TO VACATE DISMISSAL AND EXTENSION OF TIME TO REFILE**

27 **MISSING DOCUMENTS**

1  
2 I hereby request the court to reconsider the dismissal of my client's bankruptcy petition by  
3 allowing me to reopen the bankruptcy case and to give me the opportunity to amend/file any  
4 paperwork missing. I have attempted to comply with all of the Court's mandate but for some  
5 unexplained reason the clerk did not process the documents nor was I told there were any missing  
6 documentation nor was a notice ever provided to our office. My client does not have the money  
7 to refile his petition and this motion is based on the fact that our office has tried in good faith to  
8 comply with the court's mandates.

9 My client's petition was genuine and my client is having a hard time surviving in these  
10 terrible economical times so we respectfully request for the court to reopen the case and allow the  
11 reaffirmation hearing to be heard. Thank you in advance.
